Rise Barber Shop is a community focused barber shop working with many local nonprofits to help give back to the community. We believe in creating a positive and safe environment for anyone to come in and enjoy the experience of getting a good haircut from good people. We offer many discounts to those who are just getting back on their feet and we have partnered with local shelters as well as recovery homes donating haircuts, clothes, as well as financial assistance toward treatment and housing for those that have fallen onto hard times.
